SUBJECT:

Letter to Dan Finn, Minority Counsel, SSCI

REFERENCE:

Your Draft Response to Finn

1. As we discussed today, attached is our proposed revision of your draft reply to Dan Finn's letter of 11 March 1985. Finn's letter requested our views on the adequacy of the exemption for intelligence activities in legislation to be introduced by Senator Metzenbaum to prohibit federal officials from recording their official telephone calls.

2. It is important that CIA's response be fully coordinated with the Department of Justice to avoid any misunderstanding concerning the Administration's view on this bill.

3. Please call if you have any questions.
